ADDITIONAL INFORMATION (*very important!*)

On an additional sheet, please also provide personal information that might be of interest to the media. For instance: How did you get started in curling? What do you most enjoy about the sport? Do others in your family curl? What other sports do you enjoy? What are your goals in curling? What sort of training regimen do you have? What are your particular strengths in curling?

Plus: What are your hobbies? Career goals? What would someone find unique about you (i.e., are you a vegetarian, hot air balloon pilot, art collector, etc.)? Do you like to travel? Have you had any really offbeat experiences, while curling or otherwise?

While the above questions may seem irrelevant, the information will be an important key to boosting media coverage of our sport. Therefore, please be as detailed and candid as possible. Thank you!
