***Notice:** The USCA Championship Rules may be changed, in whole or in part, prior to the playdown process. This includes championship berth allotments for regions and specific teams, as granted in the Rules Book (www.usacurl.org, Championships page, left-side menu item). The regions and teams are not guaranteed a berth beyond the current USCA Championship. The rules for one year's championship will not be construed to give or imply any right for future championships. USCA policy is to promulgate its rules in advance of the competition affected by those rules, through its due process of committee and board meetings. Any mistakes, omissions or ambiguity may be subject to clarification by the Championships Committee.
